RE: Registration Number: 17234

This letter is to acknowledge receipt of your completed Unified Registration Statement (URS) filed on behalf of Missy's HEART, Inc.. Please use the above registration number when corresponding with this office. Your registration with this URS is current through December 31 of this calendar year.

All charitable organizations intending to solicit with the Commonwealth of Kentucky are required to register annually by either submitting an IRS Federal Form 990 or a new URS for the calendar year. If by December 31 of this calendar year you are not required by the IRS to file the Form 990, another URS form will serve for the next calendar year. Once your organization is required to file a Form 990 with the IRS a copy of the Form 990 must be filed with us at the same time it is filed with the IRS. The Form 990 then will serve as your registration and your due date for registering will become the same as your IRS filing due date.

Please be advised that the provisions of KRS 367.650 to 367.670 apply to charitable fundraising activities in Kentucky. For your convenience our web address is <http://www.ag.ky.gov>.

Sincerely,

Russell Coleman
